

Tuesday 12th May 2020

Fact of the day: The first oranges weren't orange – they were green. The original oranges were from Southeast Asia and were a tangerine-pomelo hybrid.

Good morning everyone,

Here are your Reading, Maths and Music tasks. Remember to recall all of your prior learning from this year to support you.

Reading – <https://www.bbc.co.uk/bitesize/articles/zdnkd6f> Explain an inference using specific evidence from the text

Maths – <https://www.bbc.co.uk/bitesize/articles/zkk6hbk> Compare and order fractions

Music - <https://www.bbc.co.uk/bitesize/articles/zkx3bdm> Singing with feeling
